## ILIRA FONT

---

Material of the Font:

**BRASS GOLD**

Examples:

Alternative Idea:

Liquid gold ( More unique, sticks more out).

Friday, 3 December 2021

**Font style:**

A mix between Classic and Modern. I Love the little details and ribbons on the letters.

Friday, 3 December 2021

You can also try to write my name in capital letters and see how it looks like.

*Its very important to have a beautiful look but also to make sure everyone gets the Name. Most people have problems with the l's and L's , because they look so similar in small letters. Please feel free to help us with this.*

Who s the artist:

The project ist gonna be a mix between 60ies Look and modern simplicity.The songs are gonna have a touch of classic with strings, but will still sound super modern. Its gonna be a mix between Lana del Rey, Billie eilish and Miley Cyrus.
