

The river keep runnin'
Bringin' trouble to me
But trouble ain't gon' never make me run

Don't look down
At the muddy waters
Don't look down
Over that edge
I can smell the trouble
Trouble in the air
Fall down to my knees
Lawd I say a prayer

That weight is heavy
It'll break your back
My mind is crumblin'
I'm 'bout to snap
The sky is cryin'
Can't see the sun
Rain fills the river
Try'na make me run

(Cause the river keep runnin' bringin' trouble to me)
Trouble to me
(The river keep runnin' bringin' trouble to me)
Trouble to me
(The river keep runnin' bringin' trouble to me)
But trouble ain't gon' never make me run

Ain't got no safety
I've hit the ground
My mind is racin'
Yeah, can't slow it down
My soul is achin'
I've walked for miles
The road to nowhere
No place to hide

Can't stop the spin
I'm going down
Keep cavin' in
I'm 'bout to drown
The sky is cryin'
Can't see the sun
Rain fills the river
Try to make me run

(Cause the river keep runnin' bringin' trouble to me)
Trouble to me
(The river keep runnin' bringin' trouble to me)
Trouble to me
(The river keep runnin' bringin' trouble to me)
But trouble ain't gon' never make me run

(Can't make me run)
Can't make me run!
(Can't make me run)
Can't make me run!

(Can't make me run)
Can't make me run!
(Can't make me run)
Can't make me run!

(Can't make me run)
Can't make me run!
(Can't make me run)
Can't make me run!

(Can't make me run)
Can't make me run!
(Can't make me run)
Can't make me run!

No! No! No! No! No! No!

(Cause the river keep runnin' bringin' trouble to me)
The river keep on bringin' trouble
(The river keep runnin' bringin' trouble to me)
Keep on bringin' trouble
(The river keep runnin' bringin' trouble to me)
Lawd have mercy on me
But trouble ain't gon' never make me run
It ain't gon' never make me run, no no

(Cause the river keep runnin' bringin' trouble to me)
Keep on bringin' trouble
(The river keep runnin' bringin' trouble to me)
Lawd, it keep on bringin' trouble to me
(The river keep runnin' bringin' trouble to me)
But trouble ain't gon' never make me run
But trouble ain't gon' never make me run
But trouble ain't gon' never make me run!
