

With my soul, my mind, my body  
With everything I praise the Lord,  
Thank you Lord.

Ye o... Ye o...Ye o!

Oh! My Father

Oh! My God

Oh! Our Father

Oh! Our God

You are the Holy God

Everlasting, we thank You, Father

Our God, Thank You, God

We appreciate You Lord. Father, we thank You

If it has not be for You

We would have since been dead

We thank God who redeemed us

We thank You, Lord. Father, we appreciate You

Father, we thank You

Oh! Father we appreciate You

Holy God is solidly backing us

Jesus, our God, is undeniably for us

Nothing whatsoever can terrify me again

My life is in God's hand

I lift up my eyes and see God

I take a look at my life

It's You I see

You are the confidence that I have got

Your are the power that I depend on

Ye o! Ye ooo!

Oh! My Father

Oh! Thank you, Father

Oh! We appreciate you, Jesus

Oh! You are our God

Oh! We cry unto You

Ye o! Ye ooo!

Ye ooo!

Holy God, Father we thank You

We take a look at where we're going

And considered our past

We've got You as a Father

Thank you, our God

If it has not been for Jesus who upholds us

We would have been consumed

Ye ooo! Ye ooo! Ye ooo! Ye ooo!

Oh! Thank You, Father

Oh! Thank You, Father

Oh! We appreciate You, Father

Oh! Thank You, Father

Ye o! We love you Lord

Oh! We love You, Lord

Ye ooo!
