

SLOT MACHINE

written by Veronica Fusaro

VERSE

slot machine
tell me what my life's about
make it rain on my account
and I'll be yours, forever

make believe
what a pretty world you draw
no need to be looking up
cause I'll be yours, forever

PRE

take control over everything I know
oh, oh

CHORUS

oh no
help me!
why do I feel so down?

oh no
help me!
why do I feel down?

overdosed
unsatisfied
till the very end of time

oh no
help me!
why do I feel so down?

so down

VERSE2

fine cuisine
sugar right into your veins
I need you to be awake
I'll keep you up, forever

I'll make you free
as everything is burning down
they're gonna have to drag you out
you'll still be mine, be mine, be mine
be mine, be mine

PRE

take control over everything I know
oh, oh

CHORUS

oh no
help me!
why do I feel so down?

oh no
help me!
why do I feel down?

overdosed
unsatisfied
till the very end of time

oh no
help me!
why do I feel so down?
