

Mason & Oneda – Letting It Go - Lyrics

VERSE 1

EASY COME EASY GO
It's a luck of the draw
Fortunes favours the bold
Knock on wood I live long
Taking live as It comes
I Don't give a fuck if you go
Cus I got plenty of friends
And a Bottle of Coffee Patron
She only came for one drink
But She'll stick around for the show
I know

CHORUS

Cus we be running it up
No sleep
Either go hard or Go home
Repeat
Night Rider
Believe Stay in Control,
And no
I Ain't letting it go
I'm like a dog with a bone x2

BRIDGE

Do me wrong ain't letting it go

Owe me money ain't letting it go

VERSE 2

Life is a bottle of Tricks
Don't lose your head or You'll Miss
Get stuck in Mist,
Energy Shift
Bigger reward,
if Bigger the Risk
More Money, More Problems
I wish
Luck of the Irish
spreading it thick
Hands in the pie dish,
Tryna take my shit,
straight to the Top
Trust Letting Off Clips
BANG!!

CHORUS

Cus we be running it up
No sleep
Either go hard or Go home
Repeat
Night Rider
Believe Stay in Control,
And no
I Ain't letting it go
I'm like a dog with a bone x4

BRIDGE

Do me wrong ain't letting it go

Owe me money ain't letting it go

Cross they line I'm letting 'em know

Break my trust nah player can't roll beat go

CHORUS

Cus we be running it up
No sleep
Either go hard or Go home
Repeat
Night Rider
Believe Stay in Control,
And no
I Ain't letting it go
I'm like a dog with a bone x 2
